

How to Start Learning and get Certificate in eStore / Desktop

Step -1

After Check Out

Click on Start Learning

The screenshot shows the SUCHI eStore dashboard. The header includes navigation links: HOME, DASHBOARD, DEMOS, ESTORE, REFER & EARN, HELP. A search bar and a dropdown menu for 'Release Date (newest first)' are visible. On the left, there are filter options for 'Type' (Course, Bundle) and a 'Clear All Filters' button. The main content area displays three course cards:

- Python - Full Course (Life Time - 3 Years)**: 42h duration, by admin. A blue arrow points to the 'Start Learning' button.
- React JS - Full Course (Life Time - 3 Years)**: 38h duration, by admin. Price: ₹999.50 to ₹499.75. 'Add to cart' button.
- Backend Java - Full Course (Life Time - 3 Years)**: 38h duration, by admin. Price: ₹999.50 to ₹499.75. 'Add to cart' button.

Step - 2

It will be Redirected to course content page

The screenshot shows the course content page for 'Python - Full Course (Life Time - 3 Years)'. The page is divided into two main sections:

- Course Content List (Left):** A list of video lessons with their durations and completion status. The first lesson, 'Introduction to Python', is highlighted.
- Video Player (Right):** A video player showing the course title 'BACKEND PYTHON' and the first lesson '1 INTRODUCTION - BASIC TERMINOLOGY'. The player includes a progress bar, volume control, and a 'Mark as Complete' button.

Step - 3

After Completion of all Classes you will get Certificate automatically
